RE Draft, Industrial Area Sampling and Analysis Plan, Addendum #IA-04-05, IHSS Group 600-5,  
PAC 600-1004 (Central Ave Ditch Cleaning), dated January 2004

Dear Mr Legare

The Colorado Department of Public Health and Environment, Hazardous Materials and Waste Management Division (the Division) hereby grants approval for the subject document. A comment resolution meeting, conducted by telephone today, resolved the Division's minor comments.

It is agreed that a biased sample will be added for coverage within the vicinity of the northwestern corner of the IHSS. Conforming changes to text, tables and figures, and other minor corrections, will be made to the document. Additionally, sampling of the subsurface soil to, but not beyond, the original ground surface will be specified to limit the investigation to emplaced soils.

We look forward to verifying the final, revised document. If you have any questions regarding this correspondence, please contact me at (303) 692-3367, Harlen Amscough at 303-692-3337.

Sincerely,

Steven H. Gunderson  
RFCA Project Coordinator
